NEWS -- Office of Supervisor Gloria Molina

For release Apr. 30, subject to Board approval of Agenda Item 80

**COUNTY CONTINUES FUNDING FOR
DIAL-A-RIDE PROGRAMS**

Los Angeles County Supervisor Gloria Molina announced Board approval of continued funding for dial-a-ride services for seniors and persons with disabilities in the unincorporated areas of the First Supervisorial District.

The transportation services, estimated to cost about \$1.2 million, will be financed with First District Proposition A half-cent sales tax funds. Through coordinated joint programs with cities adjacent to unincorporated areas, the County benefits from lower service costs and can provide better service to residents.
